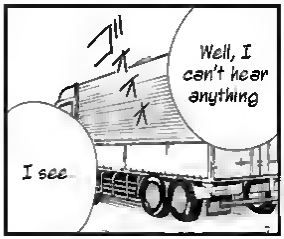
Chapter 2 第2探 The hero appears

ヒーローは現れる

Hiiragi...
Don't forget.
There's... not much time

Hiiragi
Hiiragi
Is calling me .
Who...
I
Time...
You...
For sure
Will look
One day...



Well, I can't hear anything
I see...

Did you hear a weird noise?
What the!?

Oowowow...
Ugh...
Uuughh... What just happened...

What on earth is happening?
.....
What was I...
Where am I
My head hurts

Alright, we can trade cards
No...
That one's so much more rare
I see. So they took the hero card
Shiiit, just because they're middle schoolers
Right, thank youuuuu.
Can we actually sell that?
ポイ

Forget it. Your enemy's a middle schooler
I'll get it back for you
There aren't any superhumans and kid-friendly monsters in real life
There's no such thing
It would've been nice if there was a hero somewhere like in that card
.....
None of them are real! That's just a dream for suffering kids!
There's no such thing! Aliens, supermen, heroes of justice
It wouldn't be strange to see an alien, right? And it'd be stronger than a human...
But look, come on, the world is insanely huge

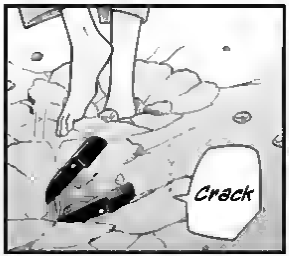
Alright, then I'll be a hero of justice.
What's with your pose?
You're still a kid
Come on, stop it.
First off, I'll show you my courage
I'll give dreams to kids everywhere
They say I'm gonna be the second Tokarev
It'll be fine. I'm in the gymnastics club
That sounds great, but it's kinda wrong. That's a gun

One, two...
I'll be fine. If we think of it as level ground, there won't be any problems.
Just stop.
Sto...

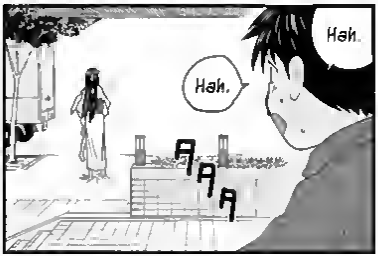
Whoa
Grin
When I normally practice, I also feel like I'm at a high...
You're awe-some.
I'm gonna join the club too
Whoaaa
What a guy!
Wah!

WAAA AAGH!
What
Was I going to do
WAAA AAGH!
Hmm, a call of distress.
!!
!!?
I wonder who I am
Huuuh?
Surreal

Huh?
It's all
It's my fault
He knew I liked heroes



Crack



Hah.
Hah.
AAA

Thanks for saving him.
Heroes
Really do appear during crises.

They do exist
Heh
Heh

Whoaaa, she's so pretty...
.....
Thank you so much... Uhh... your name?
Do not speak so loudly.
What nonsense is this?
Bam
WAH!

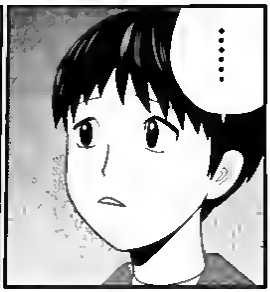
Why was I falling from the sky... and who... was that woman?
What on earth did I do?
Aaghh...
My mind is in pain
I... I...
Uh, who am I?
...yes, I am Hiiragi.
Hiiragi.

Uhh...
I cannot remember anything else.
What should I do from here on...
Heeeeey, girlie!
What's wrong? You don't look so good
We'll take you wherever you wanna go.
Are you calling me a "girlie"?
What?
Th-that's right?
Do you know where I live?
Yes?
How kind of you. Will you take me there?
Yeah we're kind.
We're suuuuper kind!

Family

Was he wearing an eye mask?
So how was he?
A cape!?
What kinda hero saved me?
.....

Come on, pull it together. Don't tell me you were so nervous you don't remember a thing



.....

What're you talking about? Keep it together! It must've been a hero.
Huuh!?
No, it was a princess. For sure!

A princess!?
